

FROM THE DESK OF

DOGTOWN SPARTANS YOUTH SPORTS

Dear Potential Sponsor:

The Dogtown Spartans Youth Sports program is a competitive youth football and cheerleading organization for young athletes ages 4 through 12 years old. This program has been active in North Little Rock for 10 years, formerly as the Central Arkansas Spartans Elite, and most recently through a name change to the Dogtown Spartans. The organization is a non-profit and the board of directors and coaches are all volunteers. Many have been with the organization since it's inception. The youth football program is not only designed to teach the fundamentals of football so the athletes are fully prepared to play the game as safely as possible in junior high school and beyond, but to also plant and nurture the seeds to help them become responsible, productive, hard-working humans. The Dogtown Spartans play through the Natural State Youth Football League against many central Arkansas and surrounding area teams. Our team parents volunteer many hours to help with practice and game days.

One of the best ways to promote your business is through support and sponsorship of youth sports in our community. Through sponsorships of youth athletics, you are helping support and provide a service to the children and parents in our community. There are many ways to provide and support sponsorships but the most important is financial support. We strive to keep the sign up cost at a minimum for our families which means very little money is available to operate the non-profit organization. We rely on sponsorships to maintain a competitive and effective youth football and cheer program.

If you are willing to provide a financial sponsorship, please contact our organization president, Derrick Warren at (501) 952-5402. Your sponsorship is tax deductible. Thank you for your time and we sincerely appreciate your support of our young athletes, coaches and their success on the field.
